Dear Parents,

The conclusion to this final week of Lent is the Sacred Easter Triduum, and it is a time devoted to special prayer and observances. By providing our students with the opportunity to experience these truths in liturgy and symbols, the services become a powerful proclamation of the Gospel, and God at work in the lives of people. The three communities of church, school and family come together to support the truth, and our students should come to know and to proclaim the truth. It is this truth and belief in the risen Lord that our faith is built upon, and we model our lives around honouring God and helping others around us to become closer and stronger in their faith. Enjoy and celebrate our Saviour's gift to us, his only Son. Have a Blessed Easter!

Yours in faith,

Maureen Moorehead
Principal

Thank you for your consideration of our patient neighbours during construction.

Destination Imagination – Congratulations to both of our Gr. 5 teams who participated in the provincial tournament this past weekend. *Team Smarties* and *Team Destination Innovation* placed 3rd and 4th respectively in their categories. A wonderful accomplishment for the first year of competition for our school! Both teams had a very successful pilot year, and we especially thank Caroline Kriekenbeek and Natalia Lam for coaching their teams to success.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you **please come and speak with your child’s teacher**. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.
