PUBLIC SERVICE ANNOUNCEMENT

FOR IMMEDIATE RELEASE

EVENT: LONGEST NIGHT

DATE: Saturday, December 17, 2016

TIME: 1:00-4:00 p.m.

WHERE: Richmond Nature Park, 11851 Westminster Highway, Richmond, BC

Which day of the year has the longest night? The Winter Solstice! Join us on Saturday, December 17, between 1:00 and 4:00 p.m. for the Longest Night celebrations at the Richmond Nature Park. Create lanterns to light up the night sky, write your wishes on paper to then toss in the fire to set them free and decorate a wildlife tree to help birds survive the cold winter. Enjoy storytelling, face painting, seasonal crafts and roasting marshmallows and then join the Frost Fairy for a lantern-lit walk through the winter woods. Also, take home a festive evergreen swag to decorate your door.

Admission is by donation. Proceeds support the Richmond Nature Park Society's environmental education programs.

The Richmond Nature Park is located at 11851 Westminster Highway, at No. 5 Road. For details, call 604-718-6188.
