Dear Parents,

What a great start to the year! (Now if only the sun would keep shining for a little longer...) Everything is up and running, the smiles are bright, and the school shoes are still shiny. There is a lot going on as we start the year, so be sure to keep up to date with the weekly Thursday Letter, and check the school web site and class blogs daily for important information.

Please read all of the information below carefully as there is a great deal of start-up information listed that won't be repeated in next week's Thursday letter. Finally, please keep our Gr. 7 students in your prayers as they head to Outdoor Education next week.

Yours in faith,

Maureen Moorehead  
Principal
