

St. Paul School 2016 - 2017

Annual Family

To All Families of St. Paul School,

This Friday, Sept. 30, is the St. Paul's School Walkathon. We are all getting fired up in preparing for our school's annual fundraising project. Thank you all for volunteering to help out in this important event. It looks like it's going to be a beautiful and sunny day! We highly recommend students and parents to wear comfortable clothes and shoes, preferably runners. **No UMBRELLAS** will be allowed as these will make walking difficult for the children.

All parent volunteers and staff will be provided with snacks and coffee upon reaching Garden City Park. These snacks are **STRICTLY for ADULTS ONLY**. To avoid any potential food allergies, these snacks are **not to be shared with any students**, including your own children. The school will provide all students with nut-free snacks.

Please note that upon reaching Garden City Park on Friday:

Station 1 : Due to limited supply, volunteers will distribute water to the **students only**.

All parent volunteers and staff are welcome to snacks and drinks at **Station 2**, located in the park.

Let's all work together in making this event yet another successful one!

Thank you!

Sincerely,

Sandra Foster
Walkathon Parent Coordinators
