Dear Parents,

Congratulations to our Gr. 6 Destination Imagination team who participated in the Regional Competition this past weekend in North Vancouver. "The Imagineers" placed 3rd in their category, received the highest score for their story, and tied for second for their structure. Well done! We wish them luck in the provincial tournament on April 7th.

Hard to believe the second term has come to an end. Communicating Student Learning reports come home today, and tomorrow we dismiss at 3:00 pm for two weeks of rest and family time. St. Paul staff wishes all our families a restful break, and safe travels for those who are going away.

Yours in faith,

Maureen Moorehead
Principal

Communicating Student Learning reports – sent home today.

Spring Break – Monday March 12th to Friday March 23rd.

School reopens – Monday, March 26th.

Holy Thursday Activities – Please join us on Holy Thursday when our Gr. 7 students present both the **Last Supper re-enactment** at **9:15 am** and the **Shadow Station of the Cross** at **10:45 am**. Both presentations will be in the gym.

No School – Good Friday March 30th and Easter Monday April 2nd.

Next Hot Lunch – Monday, **APRIL 9th**.

Our Scholastic Book Fair was a huge success! – Please find attached message from Mrs. Koop.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you **please come and speak with your child's teacher**. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

Planning the school year? – If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2018. The calendar can be accessed through the school web site at www.stpaulschool.ca.

When your Child is Sick – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. **Some basic guidelines are as follows:** **24 hours** after temperature returns to normal, or after gastrointestinal illness (**vomiting/diarrhea**); contagious infections such as suspected **pink eye or strep throat**; unexplained **skin rash**; **severe cough and cold** symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.
