

Fall is here!
Time to clear out the closets!

As you make room in your closets for fall and winter clothes, do you have any clothes to donate to our clothing drive?

The students in Grades One and Four are collecting clothes for the Developmental Disabilities Association. The DDA provides community-based programs and services for children and adults with special needs.

When: October 9 - 16

How: please send in any clothes that you would like to donate to the Developmental Disabilities Association

Where: please send the clothing in bags to your child's classroom and the Grade Ones and Fours will collect and organize it from there

Why: for our theme "What do you want of me, Lord?" we are learning that God wants us to be of service to others

Thank-you!
