Dear St. Paul Families,

Parents Volleyball Night is on! The courts will be set up and ready for play by 6pm on Friday, October 25, 2019.

Hot food and snacks will be available on a cash basis from the concession run by the Grade 6 class. You can also pre-order your dinner. Please see attached food order form.

In addition to running the concession, Grade 6 parent volunteers, with the aid of some Grade 7 students, are also offering child-minding for the night. This is on a first come first served basis and space is limited.

Please take note:

- If you have an older child/children who can watch over your younger school-aged child/children, there is no need to reserve a slot.
- Your children can stay inside the child-minding rooms together with the Grade 7 student and parent volunteers.
- The child-minding slots are only for those who do not have anyone else to watch over their school-aged child/children at home.
- However, even if you do not need any child-minding help, we still need to know how many children you are bringing along for dinner, for space planning purposes.
- We can only fill the child-minding rooms up to a certain number as we need to strictly observe capacity limits. Please email your reservation information early to be assured of space.

Parents Volleyball Night is for parents to get out and enjoy themselves. While we welcome the entire family, let us allow parents to enjoy a night of fun for a change. Older children can help watch younger siblings at home or at the child-minding rooms.

Thank you and we hope to see you all on Friday for some fun!

Thank you.
