Dear St. Paul School Families,

Christmas is only 8 weeks away! As we prepare for the season of Advent, we will be joining efforts with The Giving Truck, a nonprofit organization that was started by a St. Paul School alumni, to prepare Christmas hampers for the families at the Circles of Care & Connection (CCC) Early Years Refugee Program. This facility provides support and settlement services to families coming to Canada as refugees with children. Our goal is to donate 30 care kits to these families this Christmas season.

Please send all the items to your child's classroom by Thursday, November 14.
