Dear Parents,

I hope you are all doing well and finding time to be outside in this beautiful sunshine we've been having; the extra time I've been spending with my daughters on our bikes has done wonders for my physical and mental health. Simple things like opening the window in my office when it gets warm from the sun in the afternoon, or driving with the window rolled down tells me that Spring is here and the days will get longer and warmer. Our planet is still spinning, and while COVID-19 has brought devastating consequences globally, let us not forget we have much to be grateful for, particularly our front-line health care workers who show up to work each day ready to help others. So as Msgr. Luterbach rings the big church bells each night at 7:00 pm in support, please keep in your prayers all those who make a difference to others each and every day.

Yours in faith,

Maureen Moorehead.
