Dear Parents,

We are excited to welcome you to our Student Led Conferences next Friday, April 23rd. Hopefully you have all had the chance to read the information letter that was emailed last week detailing how our conferences will be carried out according to health regulations. A Moorehead Message video will also be coming early next week, so please watch for that as it will give a good visual as to what to do when you are here. Of course, coming to the school for your child's conference is optional, so if you wish to not attend, please notify your child's teacher as soon as possible so they can arrange for the package of materials to be sent home.

Online Student Led Conference appointments can be made **beginning this Saturday, April 17th at 9:00 am.**

Yours in faith,

Maureen Moorehead
Principal

"There is always hope." Psalm 73:26

upcoming EVENTS

Daily Health Check – Just a reminder that parents/caregivers are to be administering the daily health check assessment to each child before they come to school every morning. Let's continue to be diligent in our efforts to only send children to school when they are feeling well.

Possible Second Week Offered for St. Paul Summer Camps! First week registration filled up quickly for camps 1 & 2, and registrations are still being accepted for the newly added second week. (See attached flyer). There are also still spots available in Camp 3 (August 13th to 19th). Secure a spot before they're gone!

Student-Led Conferences – Friday, April 23rd. (***No classes this day, conferences only***) Online appointment booking begins this Saturday, April 17th, at 9:00 am.

Gr. 7 Spirit Day (virtual) – Saturday, April 24th.

Rainy Days – A reminder to ensure your child is dressed for the possibility of wet weather every day, as they go outside for recess rain or shine. Extra socks are handy to have in the backpack.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child's teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

Planning the school year? – If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2021. The calendar can be accessed through the school web site at www.stpaulschool.ca.

When your Child is Sick – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – A reminder that birthday celebrations (treats, give-aways and gifts) are NOT permitted until further notice.
