Dear Parents,

What a great start we've had! As always, I am so grateful for how well our families have responded to the requests and information sent home. The last 3 days have gone very smoothly, and I thank each and every family for your attention to our new arrival and dismissal procedures; it helps that staff be able to focus on what's most important – educating your children!

We look forward to welcoming you to **Meet the Teacher night** on Monday and Tuesday evening! Please see the email from me dated Sept. 7th for the schedule and times for each class presentation.

See you then!

Yours in faith,

Maureen Moorehead
Principal

It is God who arms me with strength and keeps my way secure. Psalm 18:32

Does your child arrive to school before 8:30 am? – Please note that school supervision **begins at 8:30 am** each day. **Any students who arrive before 8:30 am must have a parent/caregiver supervise them until the doors open at 8:30 am.**

Daily Health Check – Just a reminder that parents/caregivers are to be administering a daily health check assessment to each child before they come to school every morning. **We ask parents to download the BC K-12**

Health Check app through your app store, which is specifically for school-aged students. **This is to be done at home each morning before coming to school.**

Meet the Teacher Night: Sept. 13th and 14th. **Please see email from Ms. Moorehead dated Sept. 7th** for the times and schedule for each class session.

Sweaters for school Masses – a reminder that students are expected to wear their sweater for school Mass, which means they must be sure to have their sweater **EVERY Thursday.**

Walkathon 2021/2022! **How is the pledge collecting going?** We will hold our annual school Walkathon on Friday, Oct. 1st, and we will be walking to Garden City Park. More details to come!

Orange Shirt Day – Sept. 29th – Our dress down day this month will be on **Wednesday, Sept. 29th**. We will be wearing orange to honour the National Day for Truth and Reconciliation. This day is to commemorate the history and ongoing trauma caused by residential schools and to honour those who were lost, and the survivors, families and communities who continue to grieve. Sept. 30th is the statutory holiday, and school will not be in session on this day.

Please drive slowly! – We had complaints last year from our neighbours about cars using excessive speed on our side roads, and cars have also been observed driving with excessive speed in our parking lots. Please help us out by being responsible and safe, and keeping our neighbours happy.

Rainy Days – Like last year, we will continue with students going outside for recess, regardless of inclement weather. A reminder to ensure your child is dressed for the possibility of wet weather every day, as they go outside for recess rain or shine. Extra socks are handy to have in the backpack.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child’s teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

Planning the school year? – If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2021. The calendar can be accessed through the school web site at [www.st paul school.ca](http://www.stpaulschool.ca).

When your Child is Sick – In anticipation of cold and flu season, we’d like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small individually packed allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
