Dear Parents,

We look forward to welcoming you all today and tomorrow for Parent/Teacher interviews. Effectively communicating learning between home and school is critical to supporting your child's journey in education, and our students are blessed to have actively involved and supportive parents. We look forward to sharing your child's successes and achievements with you!

On another note, our parent volunteers were busy yesterday counting all the Walkathon donations. Stay tuned next week for the big reveal! Thank you, once again, for your never-ending support for our school community.

Yours in faith,

Maureen Moorehead
Principal

Important Dates and INFORMATION

No classes tomorrow – A reminder that there are no classes tomorrow, while we finish day 2 of our Parent/Teacher interviews.

Lifetouch Photo Retake Day – Wednesday, Oct. 27th.

Parents Welcome at School Masses – Parents are now welcome to join us for school Masses on Thursday mornings at 9:00 am. Masks must be worn, and we ask parents to sit a few pews back from the students. ****Please note that this invitation does not apply to school assemblies, which continue to be students and staff only.****

Hot Lunch Serving – Thursday, Oct. 28th. White Spot.

Dress Down Day – Friday, Oct. 29th. Halloween! Students may come in costumes, or wear orange and/or black. **If wearing a costume, please note the following:**

- **Covid face masks must be worn.**
- **We are a Catholic community**, therefore costumes must be modest, respectful of others, and free of offensive language.
- **We are focused on student safety and peace of mind**, therefore: no weapons or replica weapons of any kind (guns, swords, knives, chains, etc.); no blood or slime; no witches, ghosts, goblins, zombies, or scary monsters.
- **We are a learning community**, therefore students must be able to sit at their desk comfortably and consider the space of others (no big hats or wide wings); fully participate in all class activities (including PE and recess times); and see and hear clearly.

Have you met Constable Walker? Our school liaison officer, Constable Walker, has been visiting our school in the mornings to say hello and get to know our community. She has also been having conversations with parents regarding safe driving practices. Constable Walker's message: it's more important to arrive safely rather than on time, so please drive slowly when on school property if you are late for school.

Does your child arrive to school before 8:30 am? – Please note that school supervision **begins at 8:30 am** each day. **Any students who arrive before 8:30 am must have a parent/caregiver supervise them until the doors open at 8:30 am.**

Daily Health Check – Just a reminder that parents/caregivers are to be administering a daily health check assessment to each child before they come to school every morning. **We ask parents to download the BC K-12 Health Check app through your app store, which is specifically for school-aged students. This is to be done at home each morning before coming to school.**

Sweaters for school Masses – a reminder that students are expected to wear their sweater for school Mass, which means they must be sure to have their sweater **EVERY Thursday**.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child’s teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

Planning the school year? –If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2021. The calendar can be accessed through the school website at www.stpaulschool.ca.

When your Child is Sick – In anticipation of cold and flu season, we’d like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
