Dear Parents,

On Dec. 7th, 13th and 14th you may notice some unfamiliar faces at the school. Every 5 years, independent schools are inspected by the Ministry of Education and CISVA. Over the course of the visits, a team of evaluators will be talking with teachers, experiencing our implementation of the Catholic Principles of Learning, assessing long and short term teaching plans and instruction, and making sure we have all policies, student records, files, and reporting documentation in place. Needless to say it's been a busy time preparing for this visit, but as I told the staff in our last staff meeting, I couldn't be prouder of all the great work done here by this most dedicated and hard-working staff. We look forward to receiving the evaluators' commendations and recommendations in our efforts to keep St. Paul School on the path of continual school improvement.

Yours in faith,

Maureen Moorehead
Principal

Hope. Love. Joy. Peace.

Upcoming EVENTS

Advent Choral Service – ON HOLD for now. Updated information to come early next week.

Have you made your donation yet? Don't forget to make your donation to one (or both) of the two charities our school is supporting this Advent Season. Donations can be made here: [Canadian Red Cross](#) or [Fraser Valley Flood Relief](#). Once your donation is made, your child can add an ornament to the classroom Christmas tree. Let's make our trees beautiful!

Daily Health Check – Just a reminder that parents/caregivers are to be administering a daily health check assessment to each child before they come to school every morning. **We ask parents to download the [BC K-12 Health Check app](#) through your app store, which is specifically for school-aged students. This is to be done at home each morning before coming to school.**

Hot Lunch Serving – tomorrow - Fukuroku. Thursday, Dec. 9th – White Spot.

School Mass – Dec. 9th. Gr. 4 to lead. 9:00 am.

Follow us on Twitter! @StPaulSchoolRmd. With limited access for parents to school activities, we are doing our best to post daily happenings of life during the school day. Check in and see what goes on around school! Tweets from today show photos of the blessing of our classroom Advent wreaths in Mass this morning.

Does your child arrive to school before 8:30 am? – Please note that school supervision **begins at 8:30** am each day. **Any students who arrive before 8:30 am must have a parent/caregiver supervise them until the doors open at 8:30 am.**

Sweaters for school Masses – a reminder that students are expected to wear their sweater for school Mass, which means they must be sure to have their sweater **EVERY Thursday**.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child’s teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

Planning the school year? –If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2021. The calendar can be accessed through the school website at www.stpaulschool.ca.

When your Child is Sick – In anticipation of cold and flu season, we’d like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
