This camp is for students going into Kindergarten in September. Your child will have a blast exploring, discovering, and learning through engaging activities that will spark curiosity and inspire creativity! This half-day camp is designed to stimulate young minds in playful ways that promote the development of early literacy and numeracy skills. Bright Beginnings is a great opportunity for Pre-K children, ages 4 and 5, to experience the fun of being in a Kindergarten classroom while also giving them an extra boost of confidence for their first day of school!
