Dear Parents,

On behalf of the staff, we would like to say thank you for all your kind words of recognition and appreciation yesterday for World Teachers' Day. I think I can speak for all staff members when I say that we chose the education profession (calling!) based on our love for children and our deep desire to guide them in reaching their full potential in life. Helping lead our students down a path filled with hope, faith, and trust in God, combined with a partnership between home and school, will go a long way to creating the future leaders of tomorrow. (And maybe they could then do something about the cost of living in Metro Vancouver...)

Wishing all our families an abundant and blessed Thanksgiving weekend, in thanks for family, friends, and the love of God.

Yours in faith,

Maureen Moorehead  
Principal

**Volleyball Game and practice schedule** – please see [PE blog](#).

**Late Arrivals to School** – Please note that **instruction in the classroom begins at 8:45 AM**. We have had a number of students arriving late to school his week, so we ask our families to make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

**Please drive slowly!** – We had complaints last year from our neighbours about cars using excessive speed on our side roads, and cars have also been observed driving with excessive speed in our parking lots. Please help us out by being responsible and safe, and keeping our neighbours happy.

**Rainy Days** – Like last year, we will continue with students going outside for recess, **regardless of inclement weather**. A reminder to ensure your child is dressed for the possibility of wet weather every day, as they go outside for recess rain or shine. Extra socks are handy to have in the backpack.

**When Parents Have Concerns** – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child’s teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

**Planning the school year?** –If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2021. The calendar can be accessed through the school website at [www.stpaulschool.ca](http://www.stpaulschool.ca).

**When your Child is Sick** – In anticipation of cold and flu season, we’d like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

**Birthday Celebrations** – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
