Dear Parents,

As we near the start of a well-deserved break for all, we hope families will continue their Lenten commitment to daily Mass over the two weeks. Lenten prayer and sacrifice are not things that are done only at school, but should begin at home. Our Spring Break begins one week earlier than the public school system, with the intent that we are back in school for Holy Week, and we can then share in the most sacred days of our liturgical calendar, the Paschal Triduum, as one community in faith.

On behalf of the staff, we wish all our families a restful break filled with peace and prayer.

Yours in faith,

Maureen Griffin
Principal

“Let all you do be done in love.” ~1Corinthians 16:14

Does a grandparent drive your child to school? – Thanks to everyone for following the drop off expectations and keeping everyone safe. Please remember to pass along the traffic information to grandparents who drive your child to school, as most cars that we have to speak to are grandparents. Thanks for your help with this.

Reporting an Absence – a reminder that if your child will be away, please send an email to absent@stpaulschool.ca (as well as the teacher). **Please do NOT** email the office email address.

Farewell Ms. Carroll! – Tomorrow will be Ms. Carroll's last day with us. She will be returning to Ireland to prepare for her upcoming wedding! We thank her for her 5 years with us, and wish her and her husband-to-be all the best for their upcoming marriage.

Hot Lunch – Tomorrow – Fukuroku. March 25th – Triple O's.

Daily Lenten Masses Continue after Spring Break – March 25th, 26th, and 27th.

Class Photo Day – March 27th.

Gr 7 Presentation of the Last Supper – Holy Thursday, March 28th. 10:45 am in the gym.

No School – March 29th (Good Friday) and April 1st. (Easter Monday)

School Mass – **There will be no more Thursday school Masses until after Lent.**

Please use the Crosswalk - If you park on the church side of the front parking lot, please ensure you cross at the **designated crosswalk** to make your way to the covered area. Between the drop off lane and parishioners leaving after Mass lets out, it can be a very busy traffic area.

2023/2024 School Calendar - This year's online calendar has been updated. If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2024. The calendar can be accessed through the school website at www.stpaulschool.com.

If your child will be away – A reminder to please email the office and the teacher if your child is sick. This needs to be done each day your child is away, and please email before 8:30 AM. Thank you.

Late Arrivals to School – Please note that **instruction in the classroom begins at 8:45 AM.** We have a number of students arriving late to school on a daily basis, so we ask our families to make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

Rainy Days – Like last year, we will continue with students going outside for recess, regardless of inclement weather. A reminder to ensure your child is dressed for the possibility of wet weather every day, as they go outside for recess rain or shine. Extra socks are handy to have in the backpack.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child's teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

Planning the school year? –If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2021. The calendar can be accessed through the school website at www.stpaulschool.ca.

When your Child is Sick – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
