Subject: hursday Letter

Dear Parents,

Next Wednesday we begin the season of Lent with our Ash Wednesday service at 11:00 am in the church. Lent is a time to open our hearts a little wider and understand our Lord a little deeper. Reflection on the sacrifice our Lord made for us, complete with fasting, penitence and almsgiving, allows us to contemplate our own heart and point us to the hope of the Resurrection.

On Thursday, March 6th, daily Lenten Masses will begin. Mass will be each morning at 8:15 am (not the usual 8:00 am) and will end in time for the start of school. Students are asked to make morning Mass attendance a part of their daily routine throughout Lent, and of course, families are welcome as well. More details to come in a separate email.

We look forward to sharing this Lenten journey as a community.

Yours in faith,

Maureen Griffin
Principal

Living,
CELEBRATING,
and Proclaiming
OUR FAITH

Lent comes to us providentially to awaken us, to shake us from our lethargy. ~Pope Francis

If your child will be away – A reminder to please email the school (absent@stpaulschool.ca) and the teacher if your child is sick. This needs to be done *each day your child is away. This also includes late arrivals and early pick-ups and please email before 8:30 AM.* Thank you.

School Arrivals – Please note that **classes begin at 8:45 AM.** Please make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child's teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

When your Child is Sick – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal

illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.

St. Paul School acknowledges that the land on which we work, learn, and play is the unceded territory of the Coast Salish Peoples, including the territories of the xʷməθkʷəy̅əm (Musqueam), and Sk̓w̓x̓w̓ú7mesh (Squamish) Nations.
