Dear Parents,

What a wonderful start to our daily morning Masses today! While my own three children are grown now, I very much remember those busy mornings getting out the door on time for school. Your commitment to bringing your children to Mass each morning during Lent sets a wonderful example of faith and devotion. By prioritizing this sacred time, you are helping to strengthen their spiritual foundation and instill the values of prayer, community, and sacrifice. Father Smith is guiding the students in their “cocoon” work, and we eagerly anticipate the beautiful Easter butterflies!

Yours in faith,
Maureen Griffin
Principal

If your child will be away – A reminder to please email the school (absent@stpaulschool.ca) and the teacher if your child is sick. This needs to be done *each day your child is away*. *This also includes late arrivals and early pick-ups and please email before 8:30 AM.* Thank you.

School Arrivals – Please note that **classes begin at 8:45 AM**. Please make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child's teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

When your Child is Sick – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
