Dear Parents,

What a great day at Swangard yesterday for our Track and Field team! Despite the heat, morale and energy were high, and our athletes gave their best in all events. Thanks to Mrs. Kelly, Ms. Meyer, Ms. Colcol, and Mr. Kelly for leading the day, to the parents who came to cheer us on, and to all our staff for coaching the students along the way. It was particularly exciting to look up from my data entry under the white tent and easily spot our athletes in their bright new jerseys!

We look forward to Day 2. Go, Crusaders!

Yours in faith,

Maureen Griffin
Principal

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child's teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

When your Child is Sick – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
