Dear Parents,

WOW! Congratulations and heartfelt thanks to our entire school community for the tremendous success of this year's Walkathon! Through your generosity, enthusiasm, and school spirit, we raised an incredible **\$90,214.43!** A true testament to what we can achieve when we work together! We are so grateful to our students for their joyful participation, to our families and friends for their generous support, and to our dedicated volunteers and organizers for their tireless efforts. Your commitment not only strengthens our school but also reflects the joy and gratitude that comes from serving God our community.

Yours in faith,

Maureen Griffin  
Principal

**Taking photos/video during school Masses** - We love when parents and grandparents join us for school Masses, however, to keep the focus on the sacredness of the Mass, **we kindly ask parents and grandparents not to take photos or video.** This allows everyone to remain fully present in the reverence of the Mass. It also helps protect the privacy of other students whose families may not wish for them to be photographed.

**Calendar Updated!** – The 2025/2026 school calendar is now updated with preliminary dates for professional days, dates for school holidays, etc. The calendar can be accessed through the school website at [www.stpaulschool.ca](http://www.stpaulschool.ca). \*Please note dates can change, so check often.

**If your child will be away** – A reminder to please email the school ([absent@stpaulschool.ca](mailto:absent@stpaulschool.ca)) and the teacher if your child is sick. This needs to be done *each day your child is away. This also includes late arrivals and early pick-ups and please email before 8:30 AM.* Thank you.

**School Arrivals** – Please note that **classes begin at 8:45 AM.** Please make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

**When Parents Have Concerns** – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child’s teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

**When your Child is Sick** – In anticipation of cold and flu season, we’d like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

**Birthday Celebrations** – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
