Dear Parents,

Our girls' volleyball season has come to an end, and I want to thank our Gr. 5, 6, & 7 girls' teams for their hard work. Our Gr. 7 girls ended on a particularly high note, competing at Harry Jerome yesterday in the CISVA championships. Out of 40 elementary schools, the top 8 teams advanced to the finals, and our talented Gr. 7 team finished 4th overall. A fantastic achievement! Special thanks to all our girls' coaches - Gr. 5 - Mrs. Knoll, Gr. 6 - Mr. Kelly, and Gr. 7 – Mrs. Dos Santos & Mrs. Mallari, for their dedication to coaching this season.

Now it's time to cheer for the boys as they wrap up their season over the next two weeks!

Yours in faith,

Maureen Griffin
Principal

If your child will be away – A reminder to please email the school (absent@stpaulschool.ca) and the teacher if your child is sick. This needs to be done *each day your child is away*. *This also includes late arrivals and early pick-ups and please email before 8:30 AM*. Thank you.

School Arrivals – Please note that **classes begin at 8:45 AM**. Please make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

When Parents Have Concerns – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child's teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

When your Child is Sick – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

Birthday Celebrations – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
