Dear Parent,

Tomorrow and Friday the entire school staff will be attending the annual Catholic Educators Conference in downtown Vancouver. The conference provides an opportunity for the spiritual and professional growth of Catholic educators, for the development of Christian community, and to provide leadership in the development of a dynamic, evangelistic school system. School staffs from our 47 CISVA schools come together to learn, network, and celebrate Mass. It is truly an uplifting and inspiring two days that affirms our vocation to be Catholic educators for the children and families of the CISVA.

Enjoy the extra long weekend, and enjoy Family Day surrounded by the love of family.

**OUR FAITH**

*“Safetyism” is an experience blocker. When we don’t allow children to take risks, we block them from overcoming anxiety, learning to manage risk, and learning to be self-governing.*

**If your child will be away** – A reminder to please email the school ([absent@stpaulschool.ca](mailto:absent@stpaulschool.ca)) and the teacher if your child is sick. This needs to be done *each day your child is away*. This also includes late arrivals and early pick-ups and please email before 8:30 AM. Thank you.

**School Arrivals** – Please note that **classes begin at 8:45 AM**. Please make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

**When Parents Have Concerns** – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child's teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

**When your Child is Sick** – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand-washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

**Birthday Celebrations** – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
