Dear St. Paul Families,

We would like to extend our sincere thanks for your support of our book drive. Thanks to your generosity, we received an overwhelming number of books that will make a meaningful difference in the lives of many young students. Your contributions, along with the \$2 donation, enabled us to ship five boxes of books to the Philippines, where they will be used by students in Grades 1 to 6.

Access to books is an important part of a child's education, and these donations will help support the development of literacy skills while also encouraging a lifelong love of reading. We are grateful for your willingness to contribute to this initiative and help provide educational resources to children who may have limited access to them.

The shipment is expected to take approximately two to three months to arrive in the Philippines. Once the books have been received by the **L.E.T.S. Read** office, we will provide you with an update. We have also requested photographs from the organization so that we can share with you how and where the books were distributed, allowing you to see the direct impact of your generosity.

Once again, thank you for your invaluable support and kindness. Your contributions have helped make this project a success, and we deeply appreciate your commitment to helping young readers both here and abroad.

Sincerely,

The Gr. 4 class, Mrs. Santa Ana, and Ms. Meyer.
